## The next level of school management

Pupil Asset MIS software supports your whole school community. Our tools for attendance, attainment, behaviour and communication offer your school the best chance of success.

### Empower staff

Our software is developed with our community of educators to ensure that it doesn't slow you down - we give your staff more time and fewer things to worry about.

### Engage parents

Improve pupil achievement, reduce absenteeism, and give parents confidence in their children's education with our communication tools.

### Lead effectively

Making informed decisions is key to effective leadership. Pupil Asset efficiently presents your data for teachers, senior leaders, governors, local authorities and external bodies.

## School management is complex, but your MIS needn't be.

Pupil Asset MIS software provides a clear overview of your school, offering the tools you need to run and make sense of your school. Manage behaviour, attendance, attainment and communications in one place whilst streamlining administrative processes and removing potential bottlenecks.

## “Our budget is squeezed every year - we need to prove we're getting value for money”

Pupil Asset is 100% cloud based, with no hidden fees or add-ons, just the tools you need to improve your school environment. Secure payments, assessment and behaviour tracking, parent communications, and our helpful support team are all included. Instead of paying for endless numbers of school systems, you can consolidate your costs and plan for your future.

## pa\*MIS is perfect for...

Efficient reporting

Pain-free census

Streamlined communication

Straightforward statutory reporting

Customised assessment tracking

In-depth cohort analysis

Provision mapping

Parent payments

Planning interventions

“I find the Pupil Asset MIS amazing! You can look at where the children are today, compared to the same point last year, and adjust things very quickly. You've got immediate access to information. In this job, you need that. It has made a huge difference.”

Angela Jermy, Headteacher, Hethersett Woodside Infant and Nursery School
