

FEATURE PHONES

Doro 7030

Price	£75
4G / 5G enabled	✓✗
Product code – new	850001926
Product code – upgrade	850001927
Key features	4G Flip phone, 2.8" Screen, 512 MB RAM, 4GB memory, 1350 mAh battery
Screen size	2.8" screen
SIM type	Nano
Front camera	n/a
Back camera	2 megapixel
WiFi Calling*	✓
4G Calling	✓
NFC	✓
Connectivity	3G, 4G, LTE, HSDPA, GPRS, EDGE, WiFi
Location technology	A-GPS, GLONASS
Operating system	–

* Find out how to start using WiFi Calling, [visit our website](#).

Doro – Compatible for use with hearing aids – rated M3/T4

ANDROID 4G PHONES

Please note, most of the handsets and tablets do not have charger adapters or headphones in the box. Please check the specifications of the device before placing your order.

- * Find out how to start using WiFi Calling, [visit our website](#).
- Secure Mobility enabled' stands for best out-of-the-box support for the MDM.

Insurance and warranty

- A number of options are available for faulty iPhones, please ask your account manager for details.
- The iPhone comes with a one year Apple warranty.

As part of Apple's efforts to reach their environmental goals, iPhone SE 2022, iPhone 12 and iPhone 13 variants do not include a power adapter or EarPods. Included in the box is a USB-C to Lightning cable that supports fast charging and is compatible with USB-C power adapters and computer ports. Other existing Apple devices that have no Power Adapter or headphones included can be identified by 'NC' in the description e.g. iPhone 11 NC 64GB.

If you need any new Apple power adapters or headphones, they are available for purchase. We recommend AirPods as the ultimate range of wireless audio solutions to enhance the Apple user experience. Plus, we offer a range of cases and screen protectors which can be applied these on your behalf with our hot staging service.

For further detail on our accessory range, [download our latest accessory stock tables](#).
