Finance Session

Is your current MIS/FAS contract ending soon? Are you looking for an alternative MIS/FAS to what you have now? Is your school impacted by the upcoming discontinuation of Integris and ScholarPack?

If yes is the answer to any of these questions, NYES, your accredited support partner for the market leading MIS, is here to help. NYES Digital invite you to join us for our MIS and FAS Discovery Days with Arbor, Bromcom and ESS SIMS. The suppliers will be showcasing both their MIS and Financial Account Systems (FAS).

We invite you to join the sessions to explore your options. We are an agnostic service provider, and we are unable to recommend specific products. We will always support the school's own choice. However, we invite you to join us and meet with the suppliers, receive an overview of their systems and you will have an opportunity to ask any questions that you may have. Please click on the links below to sign up for each discovery session that is of interest.
